*"Keep on doing what you love and
never stop dreaming."*

My name is Kay Lynn, owner, and founder of Across the Board
Charcuterie, based out of San Antonio, Texas.

I have always loved entertaining in our home and I found great
joy in tablescapeing for the holidays and our parties. I put my first
charcuterie board together in 2019 as an appetizer for a dinner party in
our home. I immediately saw the way it brought everyone together in
such a beautiful comforting casual way. I listened to the laughter and
conversation as they shared the charcuterie. I knew then that I wanted to
share the beautiful experience charcuterie brings.

Fast forward to today and I have now made my passion a
reality. Bringing to you the comforting way food can unify us through
charcuterie no matter the occasion. My mission is to
provide each of you with a unique, beautifully handcrafted touch to your
next meeting, function, or social gathering with charcuterie.
